INTERIOR FINISH LEGEND & NOTES

- Interior Finish Notes
- See floor plans for dimensions. Do not scale the drawings.
 - See the Interior Finish Schedule for finish materials as noted on the plans.
 - New interior gypsum wallboard to be taped, textured "light orange peel", sealed and painted (two coats). Contractor shall submit an 8-1/2" x 11" sample of the texture to the Architect for approval prior to application.
 - Existing partitions are to be painted (one coat) where indicated on the plans.
 - All new wood door trim is to be finished (stained & varnished) to match existing.
 - All new wood base is to be painted to match wall color.
 - "E" indicates existing finishes to remain.
