INTERIOR FINISH LEGEND & NOTES

Interior Finish Notes

1. See floor plans for dimensions. Do not scale the drawings.
2. See the Interior Finish Schedule for finish materials as noted on the plans.
3. New interior gypsum wallboard to be taped, textured "light orange peel", sealed and painted (two coats). Contractor shall submit an 8-1/2" x 11" sample of the texture to the Architect for approval prior to application.
4. Existing partitions are to be painted (one coat) where indicated on the plans.
5. All new wood door trim is to be finished (stained & varnished) to match existing.
6. All new wood base is to be painted to match wall color.
7. "E" indicates existing finishes to remain.
